

JUNIOR MODEL WORKSHOP JANUARY 2010

The time has come for another intake of junior models. **Your child has been selected to be trained and assessed.** The Lizzie Wagner Academy only does one intake per year for junior models so those trained have potentially more opportunities of developing their skills.

The course will be conducted:

The Junior Model Workshop will be run on Monday 18th, Tuesday 19th, **Wednesday 20th, Thursday 21st and Friday 22nd of January 2010.**

The times are 3.00pm – 5.00pm.

Diploma Presentation:

On Friday the 22nd of January 2010 the program graduation will take place at 6.00pm until approximately 7.30pm. A photo viewing will be conducted at the graduation.

During the graduation there will be various agents and clients present to make talent selections. The children will receive a diploma that can be used for their portfolio, and you may like to bring along a camera or video recorder, and join in the celebration.

Also, on Thursday the 21st of January 2010 at 9.30am, the children will have an opportunity to be photographed by a **professional photographer and the sitting fee is only \$30.00.** This is not compulsory; however it does help the students to become comfortable in front of a camera. It is also a very cost effective way of getting photos for clients and/or creating a composite card, or lasers to leave with clients. The fee is paid directly to the photographer. Photographs will be available for purchase at the graduation.

Most portfolio and composite card shoots are hundreds of dollars, therefore the program not only assists in assessing the students, elevating their confidence, and preparing them for the modelling industry, but also helps to set them up with the appropriate photographic requirements in a **cost effective way.** Even if your child has no interest in the modelling world, you will have some beautiful shots for your friends and family.

In the workshop the children will work on parade, photographic, promotions, voice-overs and TV, allowing us to **assess their potential, in varied segments of this industry.**

Your child will also benefit from greater confidence and self-esteem, posture and deportment. Your child is about to embark on an exciting and challenging course, which should not only be educational, but lots of fun. The Academy will issue handouts throughout the course and we would like you to collate a simple manual or notebook for future reference.

On day one we would like your child to bring/wear something comfortable for exercising and analysing posture. Also, if you have them, smooth-soled shoes for walking classes.

At the Academy we prefer you do not buy anything new for the course, but utilise what you already have at home. Should you wish to purchase anything, we suggest you discuss it with the teachers to ensure value for money and an appropriate purchase.

Please find detailed below a list of items required for class;

A jacket for all walking classes

Smooth soled shoes

Various outfits (four changes of your choice, doesn't have to be fashionable) for parade classes

Snacks and drinks

An outfit you would like your child photographed in

An outfit for the graduation (teachers will advise you of the type/style of garment needed.)

The course cost is \$550.00 GST inclusive. We must have your registration form, payment or deposit as soon as possible in order to hold a place for you, as we are taking only limited numbers. To avoid disappointment please send your registration and deposit by return mail. **To receive an early bird discount or if you have done a course with us before you must pay in full by 10th of December 2009.
